

## SAVE THE DATES

The North Central Texas Regional Certification Agency invites you to our  
**Monthly NCTRCA Certification Workshop**

The **FREE** NCTRCA workshop consists of a two-part session. **Part I** will provide Disadvantaged/Minority/Women Business Enterprises an orientation of the certification process. There will also be on-site certification assistance in completing your certification application, should you need assistance or consultation. **Part II** will consist of networking with NCTRCA Member Entities (listed on the left side of this flyer). During this portion, all recently certified and certifiable minority firms will be invited to participate. Each NCTRCA member entity will provide a brief overview of their organization and will share upcoming opportunities to do business with them.

An application and a checklist of supporting documentation can be found on NCTRCA's website located at <http://www.nctrca.org/forms.html>
